

# YM Website – User Manual

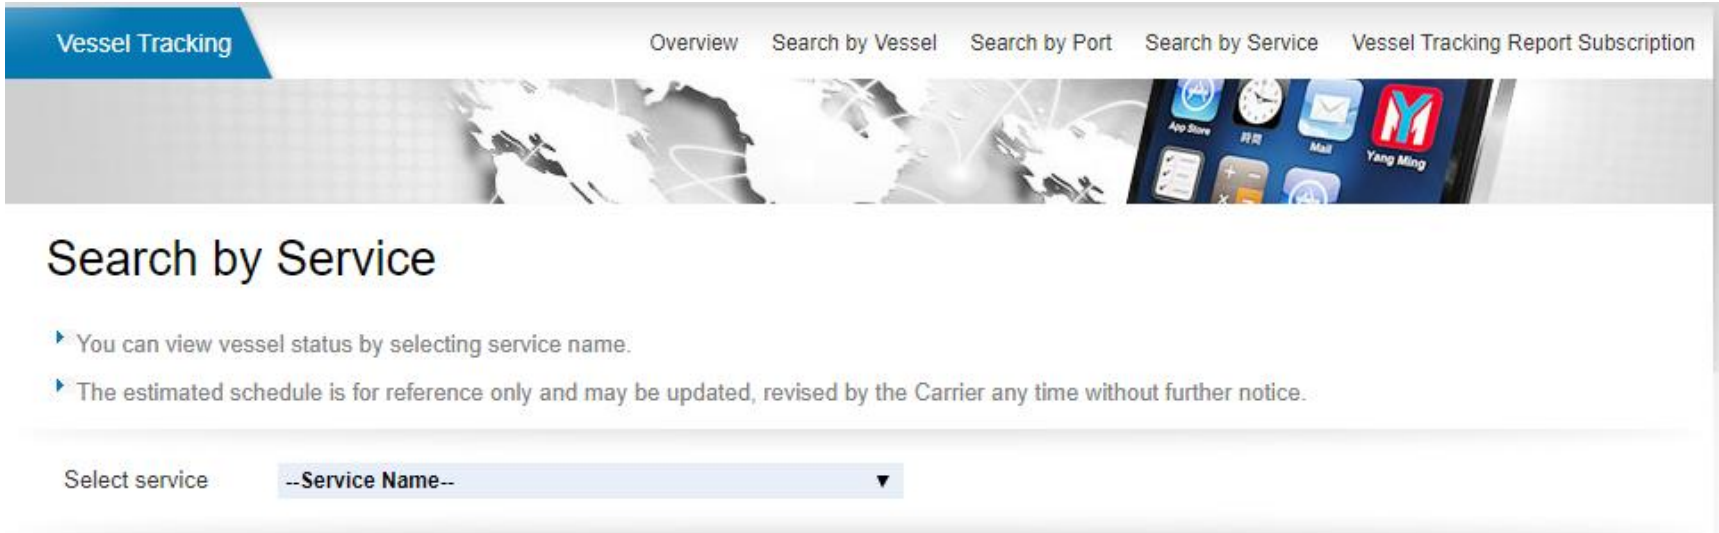

- [Vessel Tracking Search by Service](#)

- You can view vessel status by selecting service name.
- The estimated schedule is for reference only and may be updated, revised by the Carrier any time without further notice.

# Vessel Tracking - Search by Service

- Step1 : Choose Vessel Tracking, then click [Search by Service] to view vessel status.

The screenshot shows the 'Vessel Tracking' section of a website. The navigation bar includes 'Overview', 'Search by Vessel', 'Search by Port', 'Search by Service', and 'Vessel Tracking Report Subscription'. The main content area is titled 'Search by Service' and contains two bullet points: 'You can view vessel status by selecting service name.' and 'The estimated schedule is for reference only and may be updated, revised by the Carrier any time without further notice.' Below the text is a dropdown menu labeled 'Select service' with the placeholder text '--Service Name--'.

- Step2 : Choose a service by drop-down list.

## Search by Service

- ▶ You can view vessel status by selecting service name.
- ▶ The estimated schedule is for reference only and may be updated, revised by the Carrier any time without further notice.
