

Assistant IT

**The company:**

Yang Ming (Netherlands) BV is located in the Waalhaven in Rotterdam and is a subsidiary of Yang Ming Marine Transport Corp. in Taiwan.

Vacancy:

To support our IT Department we are looking for an experienced and driven Assistant IT to join our team. The position is for a minimum of 24 working hours per week.

Job activities:

As assistant IT you work closely with our IT manager and you are among others responsible for:

- communication with our software house and our headquarters in Taiwan
- fine tuning of our software
- helping colleagues with their daily questions regarding the software
- data analyses
- troubleshooting

Job requirements:

We are looking for enthusiastic candidates with a completed MBO education and experience with SQL*Plus (Oracle). Shipping knowledge and an HBO education are a plus.

For this job we are looking for a candidate who is stress resistant, flexible, who has analytic skills, a proactive working attitude and a customer and result oriented mindset.

We offer:

A diverse and challenging job with a competitive salary, good secondary employment conditions and the possibility to follow work-related training.

Interested:

Are you interested in this position and would you like to join our IT team, please send your CV with a short motivation to our HR department via hr@nl.yangming.com.
